

# Booth Wood Primary School

## PSHE & RSE Policy

Member of staff responsible: Annalie Armitage

### **PSHE & RSE**

At Booth Wood Primary School, we value PSHE as one way to support children's development as human beings; to enable them to understand and respect who they are, to empower them with a voice and to equip them for life and learning. We teach Personal, Social, Health Education as a whole-school approach to underpin children's development as people.

The Jigsaw Programme offers us a comprehensive, carefully thought-through Scheme of Work which brings consistency and progression to our children's learning in this vital curriculum area. The overview of the programme can be seen on the school website.

Department for Education guidance states that from September 2020, all primary schools must teach Relationships and Health Education.

We include the statutory 'Relationships and Health Education' within our whole-school PSHE Programme and this programme's complimentary update policy ensures we are always using the most up to date teaching materials and that our teachers are well-supported.

## What do we teach when and who teaches it?

### **Whole-school approach**

Jigsaw covers all areas of PSHE for the primary phase including statutory Relationships and Health Education.

The table below gives the learning theme of each of the six Puzzles (units) and these are taught across the school; the learning deepens and broadens every year.

<u>Term</u>	<u>Puzzle (Unit)</u>	<u>Content</u>
<b>Autumn 1:</b>	Being Me in My World	Includes understanding my own identity and how I fit well in the class, school and global community. Jigsaw Charter established.
<b>Autumn 2:</b>	Celebrating Difference	Includes anti-bullying (cyber and homophobic bullying included) and understanding
<b>Spring 1:</b>	Dreams and Goals	Includes goal-setting, aspirations, who do I want to become and what would I like to do for work and to contribute to society
<b>Spring 2:</b>	Healthy Me	Includes drugs and alcohol education, self-esteem and confidence as well as healthy lifestyle choices, sleep, nutrition, rest and exercise
<b>Summer 1:</b>	Relationships	Includes understanding friendship, family and other relationships, conflict resolution and communication skills, bereavement and loss
<b>Summer 2:</b>	Changing Me	Includes Relationships and Sex Education in the context of coping positively with change

At Booth Wood Primary School we allocate time for PSHE each week in order to teach the PSHE knowledge and skills in a developmental and age-appropriate way. Class teachers deliver the weekly lessons to their own classes.

We aim to 'live' what is learnt and apply it to everyday situations in the school community.

## **Relationships Education**

*What does the DfE statutory guidance on Relationships Education expect children to know by the time they leave primary school?*

Relationships Education in primary schools will cover 'Families and people who care for me', 'Caring friendships', 'Respectful relationships', 'Online relationships', and 'Being safe'.

The expected outcomes for each of these elements can be found further on in this policy.

It is important to explain that whilst the Relationships Puzzle (unit) in Jigsaw covers most of the statutory Relationships Education, some of the outcomes are also taught elsewhere in Jigsaw e.g. the Celebrating Difference Puzzle helps children appreciate that there are many types of family composition and that each is important to the children involved. This holistic approach ensures the learning is reinforced through the year and across the curriculum.

## **Health Education**

*What does the DfE statutory guidance on Health Education expect children to know by the time they leave primary school?*

Health Education in primary schools will cover 'Mental wellbeing', 'Internet safety and harms', 'Physical health and fitness', 'Healthy eating', 'Drugs, alcohol and tobacco', 'Health and prevention', 'Basic First Aid', 'Changing adolescent body'.

The expected outcomes for each of these elements can be found further on in this policy.

It is important to explain that whilst the Healthy Me Puzzle (unit) in Jigsaw covers most of the statutory Health Education, some of the outcomes are taught elsewhere in Jigsaw e.g. emotional and mental health is nurtured every lesson through the Calm me time, social skills are grown every lesson through the Connect us activity and respect is enhanced through the use of the Jigsaw Charter.

Teaching children about puberty is now a statutory requirement which sits within the Health Education part of the DfE guidance within the 'Changing adolescent body' strand, and in Jigsaw this is taught as part of the Changing Me Puzzle (unit).

## **Sex Education**

The DfE Guidance 2019 (p.23) recommends that all primary schools 'have a sex education programme tailored to the age and the physical and emotional maturity of the pupils.

However, 'Sex Education is not compulsory in primary schools'. (p. 23)

Schools are to determine the content of sex education at primary school. Sex education 'should ensure that both boys and girls are prepared for the changes that adolescence brings and – drawing on knowledge of the human life cycle set out in the national curriculum for science - how a baby is conceived and born'.

We define Sex Education as understanding human reproduction; drawing on knowledge of the human life cycle set out in National Curriculum Science- 'how a baby is conceived and born'.

### **Parents' right to request their child be excused from Sex Education**

"Parents have the right to request that their child be withdrawn from some or all of sex education delivered as part of statutory Relationships and Sex Education" DfE Guidance p.17

At Booth Wood Primary School, puberty is taught as a statutory requirement of Health Education and covered by our Jigsaw PSHE Programme in the 'Changing Me' Puzzle (unit).

We conclude that sex education refers to Human Reproduction, and therefore inform parents of their right to request their child be withdrawn from the PSHE lessons that explicitly teach this:

- Year 6 (Conception & birth)

The school will inform parents of this in the half-term prior to the unit being taught. If any parent wishes to withdraw their child from Sex Education, they can do so by speaking to their child's class teacher or the head teacher.

We will also highlight that whilst parents have the right to withdraw their child from these lessons, they do not have the right to withdraw other children from receiving these lessons. We believe it is better for children to hear factual information from adults than to hear second hand from their classmates.

## **Relationships Education in Primary Schools – DfE Guidance 2019**

The focus in primary school should be on teaching the fundamental building blocks and characteristics of positive relationships, with particular reference to friendships, family relationships, and relationships with other children and with adults.

The guidance states that, by the end of primary school:

	<b>Pupils should know...</b>	<b>Jigsaw links</b>
<b>Families and people who care for me</b>	<ul style="list-style-type: none"> <li>• that families are important for children growing up because they can give love, security and stability.</li> <li>• the characteristics of healthy family life, commitment to each other, including in times of difficulty, protection and care for children and other family members, the importance of spending time together and sharing each other's lives.</li> <li>• that others' families, either in school or in the wider world, sometimes look different from their family, but that they should respect those differences and know that other children's families are also characterised by love and care.</li> <li>• that stable, caring relationships, which may be of different types, are at the heart of happy families, and are important for children's security as they grow up.</li> <li>• that marriage represents a formal and legally recognised commitment of two people to each other which is intended to be lifelong (Marriage in England and Wales is available to both opposite sex and same sex couples. The Marriage (Same Sex Couples) Act 2013 extended marriage to same sex couples in England and Wales. The ceremony through which a couple get married may be civil or religious).</li> <li>• how to recognise if family relationships are making them feel unhappy or unsafe, and how to seek help or advice from others if needed.</li> <li>• about different types of bullying (including cyberbullying), the impact of bullying, responsibilities of bystanders (primarily reporting bullying to an adult) and how to get help.</li> <li>• what a stereotype is, and how stereotypes can be unfair, negative or destructive.</li> <li>• the importance of permission-seeking and giving in relationships with friends, peers and adults.</li> </ul>	<p>All of these aspects are covered in lessons within the Puzzles</p> <ul style="list-style-type: none"> <li>• Relationships</li> <li>• Changing Me</li> <li>• Celebrating Difference</li> <li>• Being Me in My World</li> </ul>

<b>Online relationships</b>	<ul style="list-style-type: none"> <li>• that people sometimes behave differently online, including by pretending to be someone they are not.</li> <li>• that the same principles apply to online relationships as to face-to-face relationships, including the importance of respect for others online including when we are anonymous.</li> <li>• the rules and principles for keeping safe online, how to recognise risks, harmful content and contact, and how to report them.</li> <li>• how to critically consider their online friendships and sources of information including awareness of the risks associated with people they have never met.</li> <li>• how information and data is shared and used online.</li> </ul>	<p>All of these aspects are covered in lessons within the Puzzles</p> <ul style="list-style-type: none"> <li>• Relationships</li> <li>• Changing Me</li> <li>• Celebrating Difference</li> </ul>
<b>Being safe</b>	<ul style="list-style-type: none"> <li>• what sorts of boundaries are appropriate in friendships with peers and others (including in a digital context).</li> <li>• about the concept of privacy and the implications of it for both children and adults; including that it is not always right to keep secrets if they relate to being safe.</li> <li>• that each person's body belongs to them, and the differences between appropriate and inappropriate or unsafe physical, and other, contact.</li> <li>• how to respond safely and appropriately to adults they may encounter (in all contexts, including online) whom they do not know.</li> <li>• how to recognise and report feelings of being unsafe or feeling bad about any adult.</li> <li>• how to ask for advice or help for themselves or others, and to keep trying until they are heard.</li> <li>• how to report concerns or abuse, and the vocabulary and confidence needed to do so.</li> <li>• where to get advice e.g. family, school and/or other sources.</li> </ul>	<p>All of these aspects are covered in lessons within the Puzzles</p> <ul style="list-style-type: none"> <li>• Relationships</li> <li>• Changing Me</li> <li>• Celebrating Difference</li> </ul>

## **Physical health and mental well-being education in Primary Schools – DfE Guidance 2019**

The focus in primary school should be on teaching the characteristics of good physical health and mental wellbeing. Teachers should be clear that mental well-being is a normal part of daily life, in the same way as physical health.

By the end of primary school:

	<b>Pupils should know ...</b>	<b>Jigsaw links</b>
<b>Mental wellbeing</b>	<ul style="list-style-type: none"> <li>• that mental wellbeing is a normal part of daily life, in the same way as physical health.</li> <li>• that there is a normal range of emotions (e.g. happiness, sadness, anger, fear, surprise, nervousness) and scale of emotions that all humans experience in relation to different experiences and situations.</li> <li>• how to recognise and talk about their emotions, including having a varied vocabulary of words to use when talking about their own and others' feelings.</li> <li>• how to judge whether what they are feeling and how they are behaving is appropriate and proportionate.</li> <li>• the benefits of physical exercise, time outdoors, community participation, voluntary and service-based activity on mental well-being and happiness.</li> <li>• simple self-care techniques, including the importance of rest, time spent with friends and family and the benefits of hobbies and interests.</li> <li>• isolation and loneliness can affect children and that it is very important for children to discuss their feelings with an adult and seek support.</li> <li>• that bullying (including cyberbullying) has a negative and often lasting impact on mental well-being.</li> <li>• where and how to seek support (including recognising the triggers for seeking support), including whom in school they should speak to if they are worried about their own or someone else's mental well-being or ability to control their emotions (including issues arising online).</li> <li>• it is common for people to experience mental ill health. For many people who do, the problems can be resolved if the right support is made available, especially if accessed early enough.</li> </ul>	<p>All of these aspects are covered in lessons within the Puzzles</p> <ul style="list-style-type: none"> <li>• Healthy Me</li> <li>• Relationships</li> <li>• Changing Me</li> <li>• Celebrating Difference</li> </ul>

<b>Internet safety and harms</b>	<ul style="list-style-type: none"> <li>• that for most people the internet is an integral part of life and has many benefits.</li> <li>• about the benefits of rationing time spent online, the risks of excessive time spent on electronic devices and the impact of positive and negative content online on their own and others' mental and physical wellbeing.</li> <li>• how to consider the effect of their online actions on others and knowhow to recognise and display respectful behaviour online and the importance of keeping personal information private.</li> <li>• why social media, some computer games and online gaming, for example, are age restricted.</li> <li>• that the internet can also be a negative place where online abuse, trolling, bullying and harassment can take place, which can have a negative impact on mental health.</li> <li>• how to be a discerning consumer of information online including understanding that information, including that from search engines, is ranked, selected and targeted.</li> <li>• where and how to report concerns and get support with issues online.</li> </ul>	<p>All of these aspects are covered in lessons within the Puzzles</p> <ul style="list-style-type: none"> <li>• Relationships</li> <li>• Healthy Me</li> </ul>
<b>Physical health and fitness</b>	<ul style="list-style-type: none"> <li>• the characteristics and mental and physical benefits of an active lifestyle.</li> <li>• the importance of building regular exercise into daily and weekly routines and how to achieve this; for example, walking or cycling to school, a daily active mile or other forms of regular, vigorous exercise.</li> <li>• the risks associated with an inactive lifestyle (including obesity).</li> <li>• how and when to seek support including which adults to speak to in school if they are worried about their health.</li> </ul>	<p>All of these aspects are covered in lessons within the Puzzles</p> <ul style="list-style-type: none"> <li>• Healthy Me</li> </ul>
<b>Healthy eating</b>	<ul style="list-style-type: none"> <li>• what constitutes a healthy diet (including understanding calories and other nutritional content)</li> <li>• the principles of planning and preparing a range of healthy meals.</li> <li>• the characteristics of a poor diet and risks associated with unhealthy eating (including, for example, obesity and tooth decay) and other behaviours (e.g. the impact of alcohol on diet or health).</li> </ul>	<p>All of these aspects are covered in lessons within the Puzzles</p> <ul style="list-style-type: none"> <li>• Healthy Me</li> </ul>

<b>Drugs, alcohol and tobacco</b>	<ul style="list-style-type: none"> <li>• how to recognise early signs of physical illness, such as weight loss, or unexplained changes to the body.</li> <li>• about safe and unsafe exposure to the sun, and how to reduce the risk of sun damage, including skin cancer.</li> <li>• the importance of sufficient good quality sleep for good health and that a lack of sleep can affect weight, mood and ability to learn.</li> <li>• about dental health and the benefits of good oral hygiene and dental flossing, including regular check-ups at the dentist.</li> <li>• about personal hygiene and germs including bacteria, viruses, how they are spread and treated, and the importance of handwashing.</li> <li>• the facts and science relating to immunisation and vaccination</li> </ul>	<p>All of these aspects are covered in lessons within the Puzzles</p> <ul style="list-style-type: none"> <li>• Healthy Me</li> </ul>
<b>Basic first aid</b>	<ul style="list-style-type: none"> <li>• how to make a clear and efficient call to emergency services if necessary.</li> <li>• concepts of basic first-aid, for example dealing with common injuries, including head injuries.</li> </ul>	<p>All of these aspects are covered in lessons within the Puzzles</p> <ul style="list-style-type: none"> <li>• Healthy Me</li> </ul>
<b>Changing adolescent body</b>	<ul style="list-style-type: none"> <li>• key facts about puberty and the changing adolescent body, particularly from age 9 through to age 11, including physical and emotional changes.</li> <li>• about menstrual wellbeing including the key facts about the menstrual cycle.</li> </ul>	<p>All of these aspects are covered in lessons within the Puzzles</p> <ul style="list-style-type: none"> <li>• Changing Me</li> <li>• Healthy Me</li> </ul>
