History Roadmap to Success

Green = Spring Term Units

Yellow = Summer Term Units

know and understand the history of these islands as a coherent, chronological narrative, from the earliest times to the present day; how people's lives have shaped this nation and how Britain has influenced and been influenced by the wider world

know and understand significant aspects of the history of the wider world: the nature of ancient civilisations; the expansion and dissolution of empires; characteristic features of past non-European societies; achievements and follies of mankind

understand the methods of historical enquiry, including how evidence is used rigorously to make historical claims, and discern how and why contrasting arguments and interpretations of the past have been constructed

understand historical concepts such as continuity and change, cause and consequence, similarity, difference and significance

develop and deploy your historically grounded understanding of terms and gain historical perspective by placing their growing knowledge into different contexts
